About the College

About the College Jawala, Jawalamukhi, initially came into being on 1st July 1999 as erstwhile privately managed institution known as 'Jawalaji Degree College', Jawalamukhi run order the auspices 'Jawalaji' Shiksha Samiti and taken over by Government of Himachal Pradesh, Department of Higher Education on 8th June 2016, is pioneer of higher education in this area of District Kangra and Jawalamukhi Assembly Constituency, in particular. The staff and students are making concerted efforts to make it an institute par excellence. The college is ever devoted to broadening its horizon of education and adding new courses.

The college is located in the pristine surroundings with the mighty Dhauladhar ranges in the background and in the blessings of 'Maa Jawalaji' across NH-88 at a distance of about 2 KM from the historical town of Jawalamukhi, district Kangra (H.P.). The college campus is spread over an area of more than 42 Kanal. It has a sprawling play ground which caters to all major outdoor games. The college providers facilities for indoor games and has a gymnasium with equipment for exercise and fitness training. The college has well equipped laboratories for all science and arts subjects. The college also has a central IT Lab, ICT Seminar Hall and computer lab with cutting edge technology software and hardware with Wi-Fi campus. The college library is a repository of valuable books all varied subjects.

The college offers undergraduate course in Humanities Sciences (Life Sciences and Physical Sciences) and Commerce. The Process of starting BBA, BCA and PGDCA in self-finance mode is in pipe line and efforts are to start these courses from the coming new session. The college stand for academic excellence, exemplary achievements in sports and cultural activities and thus also catering to the other needs of more than 1600 students, at present in these three streams. The institution has sanctioned faculty members with specialization in various fields. Apart from imparting knowledge and requisite skills, the teachers help the students to inculcate wisdom and uprightness of character. The college has one unit of National Service Scheme (NSS) RR Units, which inculcate social and moral value including leadership, sense of responsibilities and dignity of labour among the volunteers. In order in spread AIDS aware ness among youth and society, college is running Red-Ribbon Club. Parents Teacher Association in an integral part of the institution, which not only act as a link between college is administration and parents, but parents, but also extend valuable guidance and financial resources of the college for the development of the institution.

The moto of the college *'Sa Vidhya Ya Vimuktaye'* i.e. 'Knowledge is one that Liberates' truly inspires our students to become real life solider, to defend and preserve our traditions and territory, through knowledge and wisdom. Our vision is to build a holistic and vibrant learning environment, founded on value based academic principles, to inculcate mental and spiritual strength and clarity of thoughts in order to develop the character of students. Our mission is to awaken the latent potentials of the students. We endeavour to inculcate among them sense of responsibility, leadership and accountability, spirit of social service, communal harmony and discipline in order to make them conscious towards special and environmental issues; the qualities which unequivocally help in transforming them into awakened, responsible and accountable citizens.

Principal's Message

Established in the year 1999, erstwhile privately managed Jawalaji Degree College, Jawalamukhi run under the auspices of 'Jawalaji Shiksha Samiti' and taken over by Government of Himachal Pradesh, Department of Higher Education on 8th June, 2016, is pioneer of higher education in this area of district Kangra and Jawalamukhi Assembly Constituency, in particular. The moto of the college *"Sa Vidhya Ya Vimuktaye"* i.e. 'Knowledge is one that Liberates' truely inspires our students become real life soldiers to defend and preserve our traditions and territory through knowledge and wisdom.

It's a matter of great honour and immense pleasure to lead this college which stands for academic excellence, exemplary achievements is sports and cultural activities. Catering to the need of more than 1600 students at present in three streams i.e. Arts, Science and Commerce. Since the past two decades the institution has served the academic needs in higher education to the best of satisfaction which has borne fruits as distinguished personalities and leaders in different fields. Amiable environment of the institution and team of highly qualified and experienced faculty that strives to contribute actively to the needs and aspirations of the students of the college, have nurtured creativity, resilience and leadership qualities among the students for the development of versatile personality.

The highly committed non-teaching staff, supportive PTA and the concerted efforts of the faculty and principals of yester-years have played a pivotal role in shaping this college as a leading institute of learning in this part of district Kangra and the college has progressed, not merely moved, during the past two decades.

It is has honour to say that the college created a 'state-of-the-art' Computer Lab and ICT Seminar Hall so that the much awaited BBA, BCA and PGDCA classes can easily be started in the college. A Career Guidance cell in the college channelizes the students towards right direction in their studies, goals and career ahead by organizing multiple seminars and sessions.

I look forward and welcome you all to be part of the family of Government College Jawalaji, Jawalamukhi, to the new academic session. I hope all of you will share the vision of the college and help maintain an amicable environment, where students flourish and brings laurels to the institution and above all, to the nation and the time spent in the GC Jawalaji, would prove to be the most exhilarating year of life that create fond memories and bonds lasting for a life times.

Jai Hind !

Credits required to be accumulated for the award of the degree in new UGC CBCS is 132.

The CBCS System :

Choice Based Credit System (CBCS) is an instructional package developed to suit the needs of students to keep pace with developments in higher education worldwide taking him/her out of isolated compartmentalized learning environment which clearly indicates for each level of certification learning effort required on the part of the student in terms of credits to be earned as well as participation in instrucitonal hours

to be spent through either regular mode or through distance education mode or through distance education mode. The student in this system has considerable freedom in choosing courses and so making his/her own personalized programme/ bouquet in cafeteria mode keeping in mind necessary requirements of a major course. Except for the compulsory and core courses of the subject of his/her major, he/she is free to choose courses of his/her choice. The programme is considered completed when the student cumulates the requisite number of successful credits (passed) i.e. at least 132 credits for an undergraduate degree.

Eligibolty

For Admission :

A pass in the Senior Secondary (+2) Examination (Academic Stream) conducted by H.P. Board of School Education (or in the Shasthri, pass in Prak Shastri from Sanskrit College affiliated to the HPU) or an examination accepted as equivalent thereto by the various bodies of the H.P. University.

(i) Provided that the candidates who have passed the qualifying examination with science stream shall be given preference in admission to B.Sc. Programme.

(ii) Provided that the candidates who have passed the qualifying examination with science stream shall be given preference in admission to B.Com. Programme.

Semester :

An academic year comprising 180 working days. in the least is divided into two semesters, each semester having 90/6=15 teaching/working weeks. Considering that each teaching day has 5 teaching/working hours, a teaching week would have 5x6=30 working/teaching hours and each semester will have 30x15=450 teaching hours available for each student.

Credit :

The term 'credit' refers to the weightage given to a course, usually in terms of the number of instructional hours per week assigned to it. This explains why 'credit' is taken to mean 'credit hours'. The credits also determine the volume of course contents and delivery of programme such as lectures, tutorials, practical, assignments etc.

For the purpose of credit determination, instruction is divided into three components :-

Lectures (L)-Classroom lectures of one hour duration.

Tutorials (T)-Special, elaborate instructions on specific topics (from Lectures) of one hour duration.

Practicals (P)-Laboratory or field exercises in which the student has to do experiments or other practical work of two hour duration.

Each one of these components is considered as equal to one credit. One Lecture (I) as well as one Tutorial (T) of one hour a week is considered as one credit, whereas one Practical (P) of two hours a week considered as one credit. The total weightage given to a course in teams of credits will be equal to I+T+P. where L is the number of one hour lecturers per week, T is the number of one our Tutorials per week P is the number of two hour Practicals per week. This can be written in symbols as :

C=L+T+P

Where, C is the credit weightage for a particular course.

The total minimum credits required for an under graduate degree programe is one hundred and thirty two (132).

For the Degree :

A regular candidate shall have to undergo the prescribed course of study in a college affiliated to the H.P. University (for a period not less than three academic years and not more than five academic years) Passed the examinations prescribed therefore.

For the degree (B.A./B.Sc./B.Com.) the student will have to cumulate a minimum of 132 successful credit hours of course work over a minimum of three and maximum of five years from the date of admission.

The UG (TDC) programme for a regular student shall be for a minimum period of three years and a maximum of five years from the date of admission if the candidate. Each academic year shall comprise of two semesters, viz. odd and even semester shall be from June/July to October/November and the even semester shall be from November/December to April/May. There shall be in each semester not more than 90 working days with 450 teaching credit hours (each working day having 6 teaching credit hours.)

Programmes of Study :

1. B.Sc. Natural Science (with Chemistry /Physics/Maths/Botany/Zoology/Phy. Science/Life Science)
2. B.Com. (Commerce)
3. B.A.-Arts/Humanities/Languages (with/Hindi/ Pol. Sci./History/Skt./Economics/Physical Education).

Provided that the following minor subjects combinations will be allowed with different major subjects. :

Number of Seats	
1. Social Science / Humanities (Pol. Science/History/Economics/ Physical Education).	80 each
2. Languages (Hindi / English / Skt.)	80 each
3. B.Sc./Natural Sciences (Phy/Chem./ Maths/Botany/Zoology)	80 each
4 Commerce	140 each

One supernumerary seal for "Single Girl Child" candidate is reserved in each courses provided she fulfills the minimum eligibility criteria.

Number of Seats in all the major subjects for admission to 1st Semester of B.A./B.Sc./B.Com. under CBCS are fixed. Hence the admission in the major subjects is purely on merit basis.

Note :- No. of above mentioned seats can be changed subject to the availability of Teachers & Infrastructure.

Courses in Programmes :

The UG (TDC) programme in college affiliated to the HPU will comprise the following categories of courses :

    (i) Core Courses

    (ii) Elective Courses

    (iii) Ability Enhancement Course

        (a) Ability Enhancement Courses (AECC)

        (b) Skill Enhancement Course (SEC)

Outlines of Choice Based Credit System :

1.   Core Course (14 for Honours Courses and 12 for Regular Courses) :

4 discipline specific papers each for regular courses and 2 papers each for English and Hindi/MIL in B.A./B.Com.) The purpose of fixing core papers is to ensure that all the institutions follow a minimum common curriculum so that each institution/University adheres to common minimum standard. Also the course designed for papers under this category aim to cover the basics that a student is expected to imbibe in that particular discipline. A course, which should compulsorily be studied by a candidate as a core requirement is termed as a core course.

2.   Elective Course:

Generally a course which can be chosen from a pool of courses and which may be very specify or specialized or advanced or supportive to the discipline /subject /domain or nurtures the candidate's proficiency/skill is called an Elective Course.

Discipline Specific Elective (DSE) Course (4 for Honours Courses and 2 each for Regular Course) : Elective Course offer under the main discipline/subject of study are suggestive in nature and each University has complete freedom to suggest their own papers under this category based in their expertise, specialization, requirements, scope and need. The University/Institute may also offer discipline related Elective Courses interdisciplinary nature (to be offered by main discipline/subject of study).

Dissertation/Project : An elective course designed to acquire special /advanced knowledge, such as supplement study/support study to a project work, and a candidate studies such a course on his own with an advisory support by a teacher/faculty member is called dissertation/project.

Generic Elective (GE) Course (4 for Honours Courses and each for B.A./B.Com. Regular Course) : An elective course chosen from an unrelated discipline/subject, with an intention to seek exposure beyond disciplines//of choice is called a Generic Elective. The purpose of this category of papers is to offer the students the option to explore disciplines of interest beyond the choices they make in Core and Discipline Specific Elective papers. The list provided under this category are suggestive in nature and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need.

P.S. : A core course offered on discipline/subject may be treated as an elective by other discipline subject and vice versa and such electives may also be referred to as an Generic Elective.

3.   Ability Enhancement Course : The Ability Enhancement (AE) Courses may be of two kinds : Ability Enhancement Compulsory Course (AECC) and Skill Enhancement Courses (SEC). "AECC" course are the courses based upon the content that leads to knowledge Enhancement :

i) Environmental Science and **ii)** English/Hindi/MIL/Communication. These are mandatory for all disciplines. SEC courses are value based and/or skill based and aimed at providing hands-on-training, competencies, skills, etc.

Ability Enhancement Compulsory Courses (AECC) : Environment Science, English Communication/Hindi Communication/MIL/Communication.

Skill Enhancement Courses (SEC) (Minimum 2 for Honours and 4 for Regular Courses : These courses may be chosen from a pool of course designed to provide value-based and/or skill based knowledge and should contain both theory and lab/hands-on-training / field work. The main purpose of these courses is to

provide students life-skills in hands-on mode so as to increase their employability. The list provided under this category are suggestive in nature and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need.

Practicals :

The list practical provided is suggestive in nature and each University has the freedom to add/subtract/edit practical from the list depending on their faculty and infrastructure available. Addition will however be of similar nature.

Choosing Courses of Study :

1.   At the time of admission student will identify/select a discipline/programme of his/her choice out out of the above mentioned disciplines programmes of study. The main discipline/programme of study will be one in which he/she will concentrate and will study specified No. of courses according to type of degree allowed as per rules of HPU Shimla.

2.   Besides, the student will also select one/two assisting disciplines based on the subject availability in college and in consultation with admission committee. The student will have to study these subjects as allied disciplines.

Layout of Degree for Bachelor with Honours 120 credits will be required.

For Bachelor Degree with Bachelor with Pass Course (For old CBCS System 2015-2018).

For Bachelor Pass Course Degree 106 credits will be required.

Examination & Evaluation System :

(i) **Continuous Comprehensive Evaluation (CCE)** accounting for 30% of the final grade that a student gets in a course; and

(ii) **End Semester Examination (ESE)** accounting for the remaining 70% of the final grade that a student gets in a course; and

(i) **Continuous Comprehensive Evaluation (CCE) :** This would have the following components :

     (a) Classroom Attendance : Each student will have to attend a minimum of 75% Lectures/Tutorial+Practical. A student having less than 75% attendance will not be allowed ro appear in the End-Semester Examination (ESE)

• Provided that hose having between 74% and 65% attendance will apply for exemption in a prescribed form accompanied by clear reason(s) for absence to the authorised functionaries.

- Provided that hose having between 74% and 65% attendance will apply for exemption in a prescribed form accompanied by a Medical Certificate from a Government Hospital.
- Provided exemption from 75% attendance will be given to those participating in prescribed co-curriucular activities (e.g. NCC, NSS, Youth Festivals, Sports etc.) to the extent of 25% (making the necessary attendance as 50% in these cases). However the claim for this exemption should be supported by authenticated certificate from the concerned college authorities.
- Provided further that those getting these exemptions will not be entitled for getting the CCE marks for classroom attendance as given below :-

Those having greater than 70% attendance will be awarded CCE marks as follows :

> 75 but $< 79\%$.	1 marks
> 80 to $< 84\%$.	2 marks
> 85 but $< 89\%$.	3 marks
> 90 but $< 94\%$.	4 marks
> 95 but $< 79\%$.	5 marks

(b) Mid-Term Tests-There will be one Mid-Term Test, after 45 teaching day & will be of 15 marks.

It is Mandatory to appear in mid-term test & must score 45% marks to become eligible for end- term examination.

Question paper for the mid-term tests will be set by the teacher of the course and will be evaluated by him/her.

Evaluated test booklets will be provided to the students ((shown in class) and they can b e given photocopies of the same for the cost of photocopying.

(c) Seminar/Assignment :

(i) The 10 marks of the CCE will be awarded on the basis of seminar/assignment etc. That the course teacher might give to the studentsp

(ii) The remaining 5 marks of the CCE will be awarded on the basis of attendance as per criteria mentioned above.

(iii) **End-Semester Examination(ESE) :** The remaining 70% of the final grade of the student in a course will be on the basis of an end-semester examination (ESE) that will be for three hours duration and will be covering the whole syllabus of the course.

For the Odd Semesters the ESE will be in the month of October/November and for Even Semester it will be the month of April/May.

A candidate who does not pass the examination(ESE) in any course(s) (or due to some reason is not able to appear in such failed course(s) ESE in the subsequence ESE to be held in the following October/November or April/May as the case may be.

If a student is not permitted tp appear in the ESE due to shortage of attendance beyond the exemption lomit (<50% attendance), the candidate will be permitted to move to the next semester. Such candidates shall redo the missed semester after completing the rest of the programme.

The question paper for the ESE will be set by the Controller of the HP by a period.

RIGHT TO APPEAL

The photocopies of the evaluated answer book bill be made available to the students on demand for a fee (to be decided depending on the cost of reproduction per answer book) to be paid in advance.

The student will have the right to make an appeal against any component of evaluation. Such appeal has made to the Principal of the college on a prescribed form and should clearly state in writing the reason(s) for the comprising/appeal.

The appeal will be placed before the Grievance Redressal Committee (GRC) Chaired by the College Principal, comprising :

(1) For cases pertaining to the major subject (Core or Elective Courses) : The Head of the Department, course teacher, and a senior Teacher of the department.

(2) For cases pertaining to the Electives of the minor subjects : The Head of the Department, (of the Major), Course Teacher, and a Senior Teacher of the Department of the major subject.

The committee will consider the case and may give a personal hearing to the appellant before deciding the case. The decision of the committee will be final.

The marks obtained in the CCE and the ESE will be combined and used for the deciding of the course grade that the student will be getting. Relative grading will be done by the office of the COE HPC for each course class in all the colleges.

Conversion of percentage into credit(s) and the grade(s) :- The following illustrations could be taken as an example for computing SGPA and CGPA from percentage to credits for Honours course in all disciplines, degree program courses in Humanities, Social Science and Commerce Subjects.

1. Percentage to Grades and grade Points :

The following formula may be used to convert marks(%) into letter grades.

Let X=mean of %age marks of all students appeared in the paper.

Ó=Standard Division.

m=% of marks obtained.

Letter Grade	Numerical Grade	Formula
O (Outstanding)	10	$m \geq \overline{X} = 2.5\,\sigma$
A+ (Excellent)	9	$\overline{X} + 2.0\,\sigma \leq m < \overline{X} + 2.5\,\sigma$
A (Very Good)	8	$\overline{X} + 1.5\,\sigma \leq m < \overline{X} + 2.0\,\sigma$
B+(Good)	7	$\overline{X} + 1.0\,\sigma \leq m < \overline{X} + 1.5\,\sigma$
B (Above average)	6	$\overline{X} \leq m < \overline{X} + \sigma$
C (Average)	5	$\overline{X} - 0.5\,\sigma \leq m < \overline{X}$

Minor variations may be adjusted by the individual institutions :

1. A student obtaining Grade F shall be considered failed and will be required to reappear in the examination.
2. For non credit course 'Satisfactory' or 'Unsatisfactory' s hall be indicated instead of the letter grade will and this will not be counted for the computation of SGPA/ CGPA.
3. The universities can decide on the grade of percentage of marks required to pass in the course and also the CGPA required to qualify for degree taking into consideration the recommendations of the statutory professional council such as AICTE, MCI, BCI, NCTE etc.
4. The statutory requirement for eligibility to enter as assistant professor in the colleges and universities in the disciplines of Arts, Science and Commerce etc. is minimum average marks of 50% and 55% in the relevant postgraduate degree respectively for reserved general category. Hence it is recommen- ded that the cut off marks for grade B shall not be less than 50% and for grade B+, it should not be less than 55% under the absolute grading system. Similarly cut off marks shall be fixed for grade B and B+ based on on the recommendation of the statutory bodies (AICTE, NCTE etc.) of the relevant discipline.
